

LONDON2BRIGHTON CYCLE CHALLENGE:

As many of you will already know from the Club Magazine and those attending the Home Counties Invitation Rally last year, the Caravan Club entered a team of some 50 riders into the 2009 London to Brighton Bike Ride in aid of the British Heart Foundation.

This year the club has entered an additional team to which yours truly has duly signed up and paid the fees to become a rider - so far so good.

Now for the downside. The event takes place on and around the 20th June which is the date of the Chairman's Rally but I am sure that Sandie will accept the apologies of one less 'tutting' past chairman in the name of the good cause that is the British Heart Foundation. The other 'event' in Sue and my lives will be that on the day in question we will be celebrating our 40th Wedding Anniversary but who could pass up the opportunity of marking such an occasion with the opportunity of a sponsored leg-over lasting 6 hours and hopefully leaving you with nothing worst than saddle saw? - I for one couldn't !!!.

So besides hopefully wishing me well in my endeavours you are cordially invited to visit www.justgiving.com/philbatchelor and add your two-penny-worth to 'Beating Heart Disease Together'.

Thanks for looking and for any sponsorship that you feel able to make.

Phil

Guess which one is Phil's riding to Brighton ??
